

TOURING TIPS

- **BEFORE YOU VISIT:** Call or check the maker's website for their current hours of operation.
- Call or register online to schedule a tour or group tasting. Individuals and small groups may stop in without notice, but groups of 10 or more require reservations in advance. Please visit individual destination websites for tour/tasting policies.
- Plan to visit only three or four sites per day. Each site has its own personality and specialties. Take time to enjoy them!
- Travel safely. Please designate or hire a driver who will not drink alcohol. Most sites offer non-alcoholic choices. You'll find a list of tour services inside this map.
- Do not bring your own beverages to any of our locations. Keep outside drinks and food in your vehicle.
- Bring a valid photo I.D. and money for tastings, tours and purchases.
- Avoid wearing strong perfumes or colognes.
- Ask questions! If you aren't sure what to try, want advice on food pairings or have always wondered about the making process, just ask. We love talking about what we do!
- Try more than one sample. If you don't like the taste, you don't have to finish it. Ask to taste something else.
- Bring home your favorites. Each maker would be proud if you purchase their products. Wines, beers, ciders and spirits make great gifts, too!
